The stars will shine

Thanks to the Australian Rotary Health Research Fund, members will be able to hear a keynote address from Jeff Kennett, the former Premier of Victoria and now Chairman of *beyond-blue* the national depression initiative.

Jeff's stimulating and inspiring address, will be part of the ARHRF Annual General Meeting being held at 10.30am on Friday 18 November. Be sure you don't miss it!

We will also be privileged to be able to hear Dame Carol Kidu. Dame Carol is one of only two women Members of Parliament in PNG and her priorities are learning for all with an emphasis on early childhood, functional literacy and skills development, all part of RI President Carl-Wilhelm Stenhammar's emphases for 2005-06.

And there's more! Visit our website at www.rotaryinstitute.org.au for all the latest news.

Have you booked your accommodation?

Rooms at the Holiday Inn are getting scarce! If you want to stay there and have not yet booked, now is the time to do so. And don't forget to book for extra nights if you want to go on the exciting tours we are arranging.

Allocation of the remaining rooms will be on a first-come first-served basis. Remember it is the only hotel "on the spot" and at \$142 a night for a double and \$125 for a single, including a full buffet breakfast, it is excellent value for money. A new Accommodation Request Form for your use is overleaf. You can only book this hotel through PDG Judith Ward.

The Institute venues

Plenary sessions and the Saturday Night dinner will be held in the magnificent Pavilion (pictured), a building designed specifically for large exhibitions and conferences.

Other activities will be in conference rooms in the main Panthers club complex and the Holiday Inn—all within short walking distance from each other. Details of what's on where will be in the Program book issued on registration.

STOP PRESS!

Registration Forms will not now be available until the end of August, due to difficulties in nailing down some of our costs. Please be patient—the wait will be worth it!
