

## **Purpose of an Institute**

The purpose of a Rotary International Institute is to:

1. Inform accurately all current and past Rotary International (RI) officers concerning the policies and programs of RI, including those of its Foundation;
2. Promote support for these policies and program while also soliciting suggestions for improvements and innovations;
3. Inform the RI Board of successful program developments at the zone level which the RI Board may want to consider for further development;
4. Inspire, motivate, and inform governors about leadership and
5. Provide a forum for learning, discussion and inspiration, which will engender fellowship, and a team spirit among all participants.

Participants are limited to past, current and incoming RI officers unless by specific invitation. A representative of The Rotary Foundation shall attend to achieve the objects of The Foundation and update the knowledge of attendees
